Class Song

1938

Good-by classmates, we've had such wonderful times together
We've shared all hopes and joys sorrows too
It seems too bad that we must part with you.
Friends that we've gained, will be our friends for always and
always
We'll not forget you to our dying day, oh, good-by, classmates,
good-by.

Farewell, Lincoln, another class departs from your hallways.
Though fate will send us on our separate ways,
We won't forget those precious high school days
Memories, lingering, will keep your name with us through a
lifetime.
With one fond look before we turn away, oh, farewell, Lincoln,
farewell.
